

# BAVARIA CRUISER 47

**BAVARIA YACHTS**

**GERMAN-ENGINEERED, SAILOR-INSPIRED**

# BAVARIA CRUISER 47

Building on the successful styling of the Cruiser 43, the new Bavaria Cruiser 47 captures the spirit of everything that sets Bavaria apart. Whether you choose the three- or four-cabin version, the Cruiser 47 provides an interior layout that is designed to be spacious, comfortable and elegant at anchor while providing security and versatility under sail. In the three-cabin version, the owner's stateroom forward features an elegant vanity area to port and a spacious head to starboard. The U-shaped dinette has additional seating on centerline, utilizing conveniently removable stools that fit securely into sockets in the cabin sole.

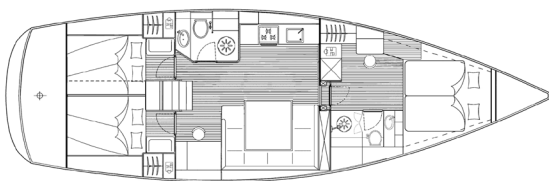

Ten opening hatches and eight opening ports further enhance the open, airy feeling of the interior that also features a sliding glass-doored storage cabinet on the dinette bulkhead.

Twin wheels and a full width swim platform allow for easy stern boarding. Ergonomically designed cockpit seats supply comfortable, secure seating while underway, or room for relaxed lounging. The sailplan is designed for easy short-handed sailing whether you choose the roller furling or fully battened mainsail configuration.

The Bavaria Cruiser 47—elegant in styling, exceptional in performance.
