MAITA'I

Designed by renowned architecture firm VPLP (winner in 2010 of the prestigious Manley-Bendall Prize by the French Naval Academy and winner of the "1999 Most Innovative Superyacht" and designer of the best racing yachts in the world) Maita'i (ex CHE) was given a full technical and design refit by its new owner in 2011. Maita'i has unique style, which is modern and very chic!

On board, the collection of original works of art sets the tone. Paintings, sculptures and furniture designs of Alexander Calder, Auguste Herbin, Martha Botto, Philippe Stark and Ross Lovegrove are together with modern conveniences such as iPads & iPods in the cabins and the salon, a Wii games console large screen television and DVD player with 300 movies available in each cabin. Bed and bath linens and accessories come from the House of Hermès, the crystal stemware from Baccarat, and cutlery from Christofle. Every detail has been considered to create a high level of quality, beauty and style.

MAITA'I provides sumptuous & luxurious, roomy and very comfortable accommodations completely air conditioned through out her interior.

The crew will make each day of the holidays a very pleasant one: varied and colourful cuisine, thoughtful service, possibility to enjoy various activities such as fishing, diving or quite simply sipping a cocktail, surrounded by a sublime panorama. With elegance and a perfect finish of every interior detail she is offering an exceptional comfort and service; 4 crew members ensure to their guests the ultimate attention and service on board that will guarantee a wonderful vacation.
